CAMPION COLLEGE LIFT PROJECT

Regina, Saskatchewan

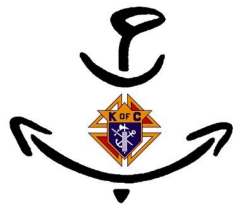

**AN EDUCATION FOR
THE WHOLE YOU!**
Earn your degree and
explore who you are
meant to be.

In 1999, Champion College commenced renovations to their main floor student commons area, including a new entryway with enhanced accessibility to the college building. With the creation of new residence towers adjacent to the college, the University of Regina sought to connect the residence to Champion via an underground walkway. To enable accessibility by all students, Champion installed a lift connecting the underground walkway to the main floor of the College.

Sask K of C Charitable Foundation partnered with the Regina Chapter of the Knights of Columbus in offering a major contribution to the cost of this addition to the Champion College Campus.

FOOD FOR FAMILIES

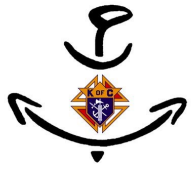

Swift Current, Saskatchewan

There is a growing number of individuals and families within our province unable to prepare and enjoy a warm nutritious daily meal. Knights of Columbus Councils are partnering with schools, parishes and other like-minded organizations within their communities to meet this basic need.
